

REMARKSRequest to Amend in Accordance with 37 CFR 1.312

This Rule 312 Amendment is being made to include priority related information and to correct cross reference information in the specification. No new matter has been added to the application by this Amendment nor will any search be required. Entry of this Rule 312 Amendment without withdrawing this application from allowance is therefore respectfully requested.

Please charge deposit account No. 50-1561 in the name of Greenberg Traurig LLP for any charges connected with this amendment and also if there are any other charges in connection with this case. A duplicate copy of this letter is enclosed.

Should the Examiner have any questions, the Examiner is encouraged to telephone the undersigned.

Respectfully submitted,

Paul J. Sutton
